

Grade Level Grants for Building Community

Bryant PTSA will grant up to \$500 to each grade level to build engagement among its families. The money is intended to help fund events for families to meet and form connections with each other, in the hopes that stronger social relationships will translate to a stronger school community for our children.

Some ideas for ways to spend this money:

- Hold a potluck cookout at a local park where you provide the burgers/hot dogs
- Host a game night at a community center or at school
- Host a movie night with free concessions (the PTSA has movie licenses that would cover this!)
- Put on a talent show
- Host a summer-time event to get families together outside of the school-year

To apply for this grant, please submit your proposal at least 30 days in advance of your proposed event/program, listing how it will meet the following requirements:

- Every family in your grade level will be invited and welcomed
- There will be no cost to families to attend and participate
- The event location is local enough that getting there is neither prohibitive or burdensome
- The event location presents no barriers to accessibility to students or families
- The money requested will total less than \$500 for your grade level this school year and will be responsibly spent

Submit your proposal to ptsaxec@bryantschool.org or in an envelope marked for “Bryant PTSA” to the front office. Include an itemized list of proposed expenses. If your grant is approved, you can submit receipts for reimbursement as you get them, or consult with PTSA treasurers (treasurers@bryantschool.org) to have checks made out directly to vendors.
