Libby Instructions to Access Audiobooks from Seattle Public Library

1. Via **Google Chrome**, go to https://libbyapp.com
2. On the first question, click ***Yes***
3. On next question, click ***I'll Search for a Library***
4. Type in **98115** (Bryant's ZIP code)
5. Click the first entry, ***Seattle Public Library North East***
6. Click ***I'll Mostly Read in Library***
7. Click ***Enter Library Account Details* (You will need library card number and your PIN)**
8. Click ***Sign In***
9. Click ***Next***
10. On left side of page, click on **+** next to *Preferences*
11. For *Format*, select ***Audiobooks***
12. For *Availability*, select ***Available Now***
13. Click ***Apply Preferences***
14. To filter for kids' audio books, on the right side of page, click **>** to the right of *Explore*
15. Click on ***Guide: Kids***
16. Scroll through the different offerings (there will be many) to find what you need
17. Click on a title of choice and then click ***Borrow***, followed by ***Play Audiobook***

Notes:
- **Anyone can download the Libby app onto a cell phone, in order to play texts from there.**
- **Libby functions best with Google Chrome. If it's acting glitchy, however, try a different browser, such as Firefox.**
- **Feel free to share these instructions with others.**
