Under the Family Educational Rights and Privacy Act (FERPA), parents/guardians of students under age 18, and students over 18 years of age (“eligible students”) have certain rights with respect to student “education records.” If the student is 18 years old, even if living with the parent/guardian, the student has all the rights under this Act. These rights are:

(1) The right to inspect and review their education records within 45 days of the day SPS receives a written request.

(2) The right to request the amendment of an education record for a student that the parent or eligible student believes is inaccurate, misleading, or is in violation of the student’s right to privacy. If SPS decides not to amend the record, SPS will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

(3) The right to provide written consent before the school discloses personally identifiable information contained in the education records of a student, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A “school official” is a person employed by SPS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel). A “school official” also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of personally identifiable information from education records, such as an attorney, auditor, medical consultant, or therapist, a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, SPS discloses education records without consent to officials of another school where a student seeks to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by SPS to comply with the requirements of FERPA. Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, DC 20202.

Directory Information: Under FERPA, SPS may release “directory” information to anyone, including but not limited to parent-teacher organizations, the media, colleges and universities, the military, youth groups, and scholarship grantors, unless you notify SPS in writing that you do not want the information released. The following information is considered directory information: parent/guardian and student name, home address, home telephone number, home email address, student photograph, student date of birth, dates of enrollment, grade level, enrollment status, degree or award received, major field of study, participation in officially recognized activities and sports teams, height and weight of athletes, most recent school or program attended, and other information that would not generally be considered harmful or an invasion of privacy if disclosed.

Release of Directory Information for Students in Grades Pre-Kindergarten to Eight (Pre-K to 8)

As a parent/guardian of a pre-kindergarten student, an elementary student, or a middle school student you have the right to choose between two (2) options on whether directory information concerning your student is released or not. Once this form is completed and returned to the school, your choice will be electronically recorded and it will not change until you complete and submit a new form. Please check one box below and return this form to the school your student attends no later than October 10. If the parent/guardian does not check one of the boxes or does not return this form, SPS considers the lack of response as consent for box A.
